

Petrós Energy Products, Inc.

A CPUC certified minority-owned, full service distributor of pipe, valves, fittings and flanges, valve actuation, artificial lift systems, MRO, structural steel, and mill, tool, and safety supplies to the energy and industrial markets.

A Culture of Excellence

Petrós is committed to superior product performance, quality and service. We are focused on excellence in everything we do and are strengthened by our culture of safety, employee engagement and continuous improvement. You can count on Petrós to meet your requirements on a timely basis, while offering quality products at competitive prices, reliable service and innovative solutions, always resulting in added value to our customers.

Solutions Made for You

Petrós Energy Products, Inc. is able to provide innovative cost-saving solutions to our customers that range from individual part purchase to fully integrated supply chain solutions. Our strength comes from our company structure, designed around a mix of vertically integrated facilities and services combined with strategic business alliances with like-minded companies specializing in key areas of the supply chain. This gives Petrós Energy Products the ability to provide a complete, tailor made solution for our customers and allows us to compete quickly and effectively in the ever-changing and challenging worldwide supply industry.

A One Stop Shop

Petrós understands the importance and value in providing a stream-lined, one-stop-shop for our customers. We have achieved this by combining our Vertically Integrated Operations with Strategic Business Partners to enhance our capabilities and provide additional quality products and services. This strategy has been critical to maintaining our competitive pricing edge and providing seamless and complete supply chain continuity to our customers.

Distribution

PVF and OCTG supplying Public Utilities, Oil and Natural Gas markets supported by strong partnerships with mills, strategically placed distribution facilities and quality tubular services.

Inspection

Tubing reclamation and oil country inspection including API thread gauge, full length API drift, bottom-hole assembly inspections and used tubing and sucker rod reclamation services.

Machining

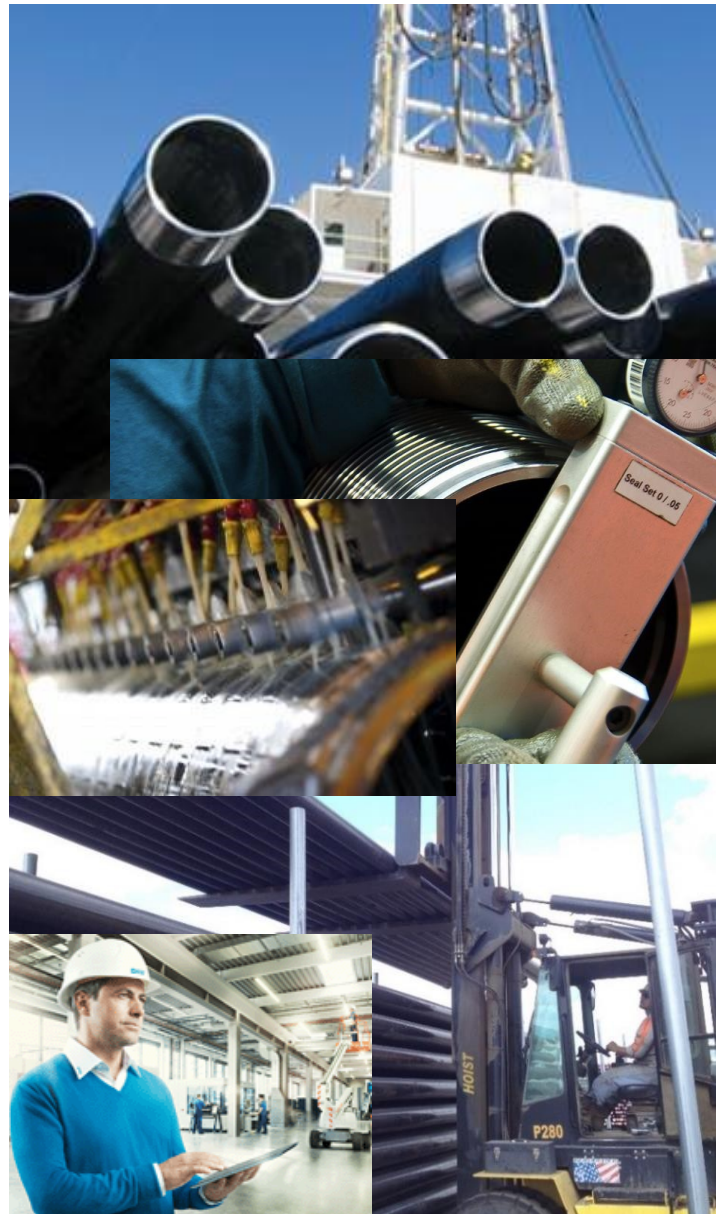

Slotting, API threading, casing couplings, tubing couplings and grit blasting services, custom machining and accessories manufacturing.

Storage and Transportation

Rail Trans-loads, Yards, Warehouses and Trucking services bringing value through inventory management, visibility, measurability and real-time, on-line reporting.

Facility Design and Operations

Operational and IT consulting services with a special focus on rail served trans-load facilities: Facilities Design, Construction, Operations Management, Lean Business Processes, ERP & IT Systems.

Products and Services

Valves

- Upstream
- Midstream and Gas Utility
- Downstream and Industrial

Pipe and Tubing

- Carbon Steel
- Stainless Steel
- Resin Based
- Oil Country Tubular Goods
- Coatings
- End Finishes, High Performance Threads
- Turn-Key and Value Added Services

Tools

- Hand Tools
- Air Tools
- Power Tools
- Cutting Tools
- Value Added Services
- Tool Crib Solutions

Electrical

- Cable and Fiber Optics
- Cable Management Solutions
- Industrial Fittings
- Control Apparatus
- Motors and Specialty Items
- Value Added Services

Valve Actuation and Automation

- Actuators
- Accessories
- Quarter-Turn Actuation
- Value Added Services

Mill and Industrial Supplies

- Abrasives
- Adhesives, Lubricants, Paint and Chemicals
- Janitorial Supplies
- Material Handling
- Contractor Supply
- Value Added Services

Safety and PPE

- Full Product catalog
- Facility Assessments
- Safety Services

Pumps

- Turn-Key Packages
- Custom Solutions
- Field Service and Training
- Canadian Pumping Systems

Fittings, Flanges, Gaskets and Fasteners

- Carbon Steel and Low Temp Fittings and Flanges
- High Yield Fittings and Flanges
- Stainless Steel Fittings and Flanges
- Resin-Based Fittings
- Gaskets and Stud Bolts

Paint and Coatings

- High-Performance Coatings
- Development and Evaluation
- Value Added Services
- Safety and Environmentally Conscious

Instrumentation

- Gauges and Sensors
- Instrumentation Fittings
- Instrumentation Valves
- Instrumentation Hose Assemblies

Value Added Services

- Supply Chain Solutions
- Turn-Key Logistics Services
- Warehousing and Transportation
- Managed Inventory
- Customized IT Solution

Mills and Manufacturers

ERW Line Pipe

- American Cast Iron & Pipe Company
- Boomerang Tube
- California Steel Industries
- Corinth
- EnergeX Tube
- HuSteel
- Hyundai
- Northwest Pipe
- PYTCO
- Salzgitter Mannesmann
- Seah
- Stupp Corporation
- Tenaris
- Tex-Tube
- TMK IPSCO
- US Steel

Trunnion Ball Valves

- Balon
- Cameron-Welded body ball valve
- Cameron-Grove
- FET-PBV
- ISV
- KF/Circor
- Microfinish
- Valbart
- Warren
- WKM/Cameron

Check Valves

- Champion
- Duo-Check
- FET-PBV
- Goodwin
- Streamflo-Crown Judd
- Techno-Cameron
- Wheatley and Tom Wheatley

Floating Ball Valves

- Apollo
- Fusion
- ISV
- KF
- Kitz
- Microfinish
- OMB
- Quadrant
- Warren
- WKM

Seamless Line Pipe

- Mittal
- Podbrezova
- Tenaris
- TMK IPSCO
- US Steel

OCTG ERW & Seamless

- US Steel
- Tenaris
- TMK IPSCO
- SeAH
- Tejas

Plug Valves

- Nordstrom
- Texsteam

Automation

- Pneumatic
 - Bettis
 - Biffi
 - Morin
 - Rotex
 - Rotork
- Electric
 - Bettis
 - Biffi
 - EIM
 - Limitorque
 - Rotork
- Direct Gas/Hydraulic
 - Bettis
 - Biffi

High-Yield (Flanges and Fittings)

- Boltex
- Custom Alloy
- DL Flange
- Galperti
- Hackney
- Tectubi
- TFA
- TriLad

Stainless Steel

- Bristol Metals
- Fittings
- Flanges (304/L, 316/L, Duplex)
- Kobe
- Nippon Steel Sumitomo Metals
- Outokumpu
- Salzgitter Mannesmann
- Sandvik
- Schoeller Bleckmann
- Seah
- Seamless and Welded Pipe

Chrome Pipe

- P11, P5, P9, P22

Engineered Valves

- Cryogenic (LNG)
 - Bonney
 - Kitz
 - OMB
- Expanding Plugs
 - General Twinseal
- Knife Gates
- Rising Stem Ball
- Through Conduit Gates–Expanding and Slab Gates
 - Cameron–Pow-R Seal and Saf-T-Seal
 - ISV
 - OMB
 - M & J
 - T3™
- Triple Offset Valve (TOV)
 - Vanessa
 - Weir
- V-Ball Valves

Pump Packages, Fabrication and Services

- Horizontal Pumps
- Mission™ Gaso™
- Positive Displacement Pumps
- Reciprocating Plunger Pumps
